Ms. Nilsen

It has been a great year getting to know you and seeing all of the ambition and liveliness you bring to AMHS. I know you'll do great things in the future and can't wait to see all you accomplish!

Ms. Neprud

Dear Seniors,
Thank you for all the times you made me laugh or smile and helped me to have a good day. You made a positive difference in my life every day by being pleasant and kind and willing to stand up at the board and do lots of math problems and help each other! I am fortunate that I got to have you all for at least 2 years in my classes, and I have all good memories of you. Life is tough, so work hard to make your dreams come true and never be afraid to ask questions, or ask for help, or to stop and help others along the way. I know you can do it !!! Love Ms.P.

Ms. Perriello

Best of luck in the future! Never be afraid to bet on yourself, or give credit to others!

Mr. Clifford

Seniors, I wish you find your flow, your joy. I wish you overcome your hardships and grow from them. But mostly, I hope you celebrate your accomplishments with pride. Congratulations!

Life moves pretty fast. If you don't stop and look around once in a while, you could miss it." (Ferris Bueller) Keep making history, class of 2024!!! --Ms. Whitworth

Ms. Whitworth

Congrats and well done to the Class of 2024! You have persisted through many perils, both collective and individual, and your efforts have brought you from the days of unknowing in freshman year to the empowered state of graduating seniors. Think about all the new relationships you have formed, and how old ones have changed or grown. Think about the elements of who you are and how they have transformed into these new aspects of yourself. You might not feel "mature" or "like an adult" just yet, but this accomplishment is a strong indication of your initiation into the world beyond ideas. Enjoy this moment and thank yourselves for all the hard work you've done over these last 4 years.

Mr. Kinsman

Congratulations class of 2024! You did it!! I still look back at your 5th grade year and cherish all the memories we had made. I am proud of each and every one of you. Reach for the stars and keep up the good work!!! Best, Ms. McGrath

YEARBOOK STAFF

Seniors:

Rhiannon Finkle & Maeve Hagberg

Juniors:

Gwaishmee Cherilus, Brynn Gaynor, Travis Guillaume, Jason Maguire, Jordan Medeiros & Gianna Rosa

Maeve and Rhiannon, thank you for all of your help "harassing" your classmates to submit their senior information. You both did an amazing job, from taking pictures, creating pages and making sure all seniors had the opportunity to contribute.
Good luck as you begin your next journey, I look forward to hearing great things from you!

Jason, Jordan and Travis, you did an amazing job taking pictures, creating pages and sending out the business ad information.

Brynn, Gianna and Gwaishmee,
I look forward to working with you next year in creating your yearbook!! You took the initiative to create a variety of pages, polish up the final pages to submit and making sure we had everything needed to make this a great yearbook!

I also wanted to thank **you all** for making sure we had someone taking pictures at all events. Without you taking pictures, we could not have done this!
Great job everyone!!
-Love, Mrs. Hill
